

Charging at Multi-Unit Dwellings

Why Install Charging?

- Offer an amenity that attracts tenants
- Green your image
- Make your property a leader in sustainable practices
- Gain LEED certification points
- Address tenants' requests and future needs

Resources

- Case studies
- Survey tool to assess tenant/resident interest in plug-in electric vehicles
- Charging guidelines for property owners, managers, homeowner associations and tenants/residents
- Business models for PEV charging
- Current PEV policies and legislation
